

Hi MicroShield 360,

I wanted to thank you and your staff on an amazing job and how well your product works. We had little to no outbreaks this year of any kind on the mat surface, locker room or bathrooms. We will be updating your product with you guys soon. Thanks again, I know it played an integral part in our National Championship this year! Thanks for being part of our team. I'll get a hold of you guys soon for a reading going into the summer.

Thanks,
Sonny Marchette
